This a very popular restaurant perched just above the tiny harbor of Riomaggiore, looking out to sea. Here you can enjoy some of the best fish dishes in Cinque Terre. Ask for the day's fresh catch or for a seafood suggestion. They will even bring out a few portions of fish to help you make your decision. Portions are generous and wines are local Cinque Terre. If you want a change, try the Bosoni family's Vermentino Lunae Colli di Luni. It comes from a small wine-producing area between Liguria and Tuscany.
